This Master Software License Agreement (“Agreement”) is between **Xenegrade Corp.**, a Florida Corporation, (“Xenegrade”) and the organization/user whom logs into XenDirect (“Licensee”) in lieu of or superseded by a an alternate, legally executed agreement.

- 1. LICENSE.** Xenegrade grants to Licensee, and Licensee accepts, a limited, nontransferable, nonexclusive license to use the XenDirect web based student records management and registration software in machine readable, object code form only (“Software”), and any accompanying user documentation (“User Documentation”) for the Software, subject to the terms of and only as authorized in this Agreement. This Agreement permits authorized users of Licensee to use the Software during the licensing period. For purposes of this Agreement, the Software includes not only the computer program listed, but also all applications or modifications written by Xenegrade for Licensee. Licensee has a non-transferable license to use such applications or modifications under the terms of this License.
- 2. NUMBER OF USERS/DURATION/LICENSE FEE.** The number of authorized users, duration of the license granted hereunder, and fee schedule for the license granted hereunder are set forth in Addendum A hereto which is incorporated herein.
- 3. COPYRIGHT.** The Software is owned by Xenegrade or its third party licensors, contains trade secret and proprietary information owned by Xenegrade or its third party licensors, and is protected by various intellectual property rights/laws, including United States copyright laws and international trade provisions. This Agreement does not provide Licensee with any title and/or ownership of the Software. Licensee shall treat the Software like any other copyrighted material except that Licensee may make copies of any written materials accompanying the Software for internal training and reference purposes only. All permitted copies of the Software and the User Documentation must include Xenegrade’s copyright and other proprietary notices.
- 4. OTHER RESTRICTIONS.** Licensee agrees that the Software and the User Documentation are proprietary products and that all right, title and interest in and to the Software and User Documentation, including all associated intellectual property rights, are and shall at all times remain with Xenegrade and its third party licensors. Licensee shall keep the Software free and clear of all claims, liens and encumbrances. Licensee may not sublicense, assign, sell, rent, lend or lease the Software or the User Documentation, or any portions thereof. Licensee may not reverse engineer, disassemble, decompile or make any attempt to ascertain, derive or obtain the source code for the Software.
- 5. MAINTENANCE.** Under this Agreement, payment of Xenegrade’s service fees entitles Licensee to receive maintenance services, also known as standard technical support, including: (i) online (primary method) and telephone (secondary method) support in the form of advice on the use of the Software; (ii) code corrections and fixes (“Updates”) required to keep the Software performing the functional specifications contained in the User Documentation; (iii) enhancements to existing features (“Enhancements”); (iv) updated User Documentation as it is made available to Xenegrade’s general client base; and (v) optional carryover of XenDirect data from previous year. Updates and Enhancements to the Software are provided based on features available per version (“Edition”). Not all Editions have the same features. Xenegrade reserves the right to charge separately for new features that include substantial new functionality and any change in the operating system or database.

Licensee is responsible for maintaining and/or updating all non-Xenegrade software used in conjunction with the Software, including but not limited to operating system software, internet browser software, word processing, spreadsheet, reporting and/or database software; and maintaining and/or upgrading any hardware and/or memory on the system on which Licensee uses the Software. If Licensee is using Xenegrade products that require a common database, Licensee must remain current on maintenance for all products for as long as the software is in use in order to assure the integrity of Licensee’s Software. Cancellation of maintenance on any one system may cause incompatibilities with related products, and performance of all Software could be adversely affected. Xenegrade has no other responsibilities with respect to Maintenance other than those specified in this Section and will not be responsible for maintaining other than the most current, unaltered release of the Software.

6. **LIMITED WARRANTY.** During the Software licensing period (the "Warranty Period"), Xenegrade warrants that the Software will perform substantially in accordance with the functional specifications contained in the User Documentation. Any written or oral information or representations provided by Xenegrade agents, employees, resellers, consultants or service providers with respect to the use or operation of the Software will in no way increase the scope of this warranty. Xenegrade does not warrant performance of any of Licensee's hardware. Xenegrade does not warrant Licensee's ability to connect to the internet or access Xenegrade's Software over the internet. Xenegrade does not warrant the performance of any internet service provider that may be utilized by Licensee for internet access. Xenegrade shall have no responsibility whatsoever with respect to Licensee's inability to access the Software as a result of any internet access failures and/or downtime.
7. **NO OTHER WARRANTIES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, XENEGRADE AND ITS SUPPLIERS DISCLAIM ALL OTHER WARRANTIES, EITHER EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, WITH REGARD TO THE SOFTWARE, THE ACCOMPANYING WRITTEN MATERIALS, AND ANY ACCOMPANYING HARDWARE. XENEGRADE DOES NOT AND CANNOT WARRANT THE PERFORMANCE OR RESULTS OBTAINED BY THE LICENSEE IN USING THE SOFTWARE, OR THAT THE SOFTWARE WILL MEET LICENSEE REQUIREMENTS OR THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR FREE.**
8. **LICENSEE'S SOLE REMEDIES.** If, during the Warranty Period, the Software fails to comply with the warranty set forth above, Xenegrade's entire liability and Licensee's exclusive remedy will be repair or replacement of the Software. This limited warranty is void if failure of the Software has resulted from accident, abuse, misuse or negligence of any kind in the use, handling or operation of the Software, including any use not consistent with the User Documentation or Xenegrade training. Any replacement Software will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer.
9. **LIMITATION ON LIABILITY. IN NO EVENT WILL XENEGRADE BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS, OPPORTUNITIES OR CONTRIBUTIONS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, GOOD WILL, OR OTHER PECUNIARY OR NON-PECUNIARY LOSS) ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF XENEGRADE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. BECAUSE SOME STATES DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO LICENSEE.**
10. **INDEMNIFICATION.** To the extent permitted by law, each party agrees to and shall indemnify, defend and hold harmless each other party, its employees and agents from and against all claims brought by third parties arising out of or relating to the actions and/or inactions of each party and/or arising out of or relating to this Agreement. This provision shall apply to all claims whether based upon intentional torts, negligence, whether active or passive, express or implied contract or warranty, contribution or indemnification.
11. **DATA INTEGRITY.** Xenegrade does not guarantee or warrant that manipulation of Licensee's data by Licensee's employees or any third party will be free of data corruption or change. Licensee agrees that it shall be solely responsible for all consequences of manipulating Licensee's data through an ODBC connection, XenDirect interface, or any other method of accessing and manipulating Licensee's XenDirect data. Licensee further agrees that it shall bear all costs associated with reconstruction of lost data. Licensee shall permit only knowledgeable and trained personnel to access and/or manipulate Licensee's data. Licensee assumes responsibility and liability for all user defined content.
12. **PERFORMANCE.** Xenegrade strives to maintain the highest speed possible for access to XenDirect but does not guarantee speed of access to or use of XenDirect. Actual internet access speeds can vary on many factors including, but not limited to, computer's performance and configuration; non-cached or cached data; performance characteristics of each component of Licensee's data network and internet access; traffic on the

Internet; Licensee's access bandwidth; Licensee's Internet provider's network; and Licensee's compliance with applicable acceptable use policies.

- 13. TERMINATION.** The license granted hereunder is effective for the duration of set forth in Addendum A unless earlier terminated as set forth herein. Licensee may terminate the license at any time by written notification to Xenegrade. Any amounts owed to Xenegrade shall be due in full at time of termination. Xenegrade may terminate the license upon Licensee's failure to comply with any material term and/or condition hereof. In the event of any termination, sections 3 through 16 of this Agreement shall survive. Termination shall not entitle Licensee to a refund of any portion of any license fees paid by Licensee prior to termination.
- 14. SOFTWARE MODIFICATIONS.** Any modifications that Licensee makes to the Software, including any modifications to any third party licensor software included with or embedded in the Software will void any maintenance and/or warranty obligations contained in this Agreement. Xenegrade is not liable, in any respect, for any modifications to the Software or any errors or damages resulting from such modifications.
- 15. PRIVACY AND SECURITY PRACTICES.** Xenegrade shall maintain privacy and confidentiality for all data of Licensee. Xenegrade may access the data of Licensee for performing corporate activities including, but not limited to: quality improvement, customer service, auditing, business planning and development, and general administrative duties. All the data recorded in XenDirect is owned by the Licensee and Xenegrade will not sell or distribute any of the Licensee's data.

Licensee shall maintain and abide by a prohibition policy on spamming and unethical marketing activities in regards to the use of the Software including, but not limited to, the use of the Software's email features.

- 16. MISCELLANEOUS.** This Agreement shall be governed by the laws of the State of Florida. This Agreement sets forth the entire agreement between the parties with respect to the subject matter hereof and all other agreements, representations, communications and understandings, both oral and written, are superseded hereby. If any court of competent jurisdiction declares any term of this Agreement void or unenforceable, that declaration shall have no effect on the remaining terms hereof. The failure by either party to enforce any rights granted hereunder or to take action against the other party in the event of any breach of this Agreement will not be deemed a waiver by that party as to the subsequent enforcement of rights or subsequent actions in the event of future breaches. Neither party shall be liable for any delay, nonperformance or related damages if such delay or nonperformance was due to causes beyond its reasonable control, including, but not limited to acts of God, civil emergencies, electrical power failure, loss of communications, or the delay of the other party or third parties. Xenegrade reserves the right to modify this Agreement without notice for reasons of clarity, prior omission, and legal requirement.
